EDUCATION & TRAINING

CAAs are certified through a national governing body. They are required to engage in ongoing education and recertification.

More than 3,000 active CAAs in the nation

16

Programs CAA throughout America

PREMEDICAL EDUCATION

CAAs attain an undergraduate premedical education that sets them apart from other physician extenders.

GRADUATE EDUCATION

27 months of graduate-level education from an accredited university that meets rigorous standards.

CONTINUING EDUCATION

40+ hours of certified continuing education credits each year to ensure up-to-date skills and knowledge
